ELEVATING EXCEPTIONAL DESIGN

From concept through completion, 2020 Exhibits collaborates with architects, builders, general contractors and designers to bring their intended vision to life, with the overall aesthetic, budget and smallest of details in mind.

A large, stylized mural of the Houston skyline and sports teams. The mural is divided into two main sections. The left section features the Chicago Bears, with the word 'Chicago' in a large, gothic font at the top. Below it, the word 'Bears' is written in a bold, sans-serif font, with a bear's head logo in the center. The Chicago skyline is depicted in the background, with the Willis Tower (formerly Sears Tower) being the most prominent building. The right section features the Houston Astros, with the word 'Houston' in a large, gothic font at the top. Below it, the word 'Astros' is written in a bold, sans-serif font, with the Astrodome stadium logo in the center. The Houston skyline is depicted in the background, with the Astrodome being the most prominent building. The mural is set against a dark background, and the colors are primarily black, white, and gold. The overall style is reminiscent of mid-20th-century graphic design. The text '2020 EXHIBITS | HOUSTON, TEXAS' is visible at the bottom center of the image.
