

Celebrating Milestones with Private Corporate Events

Cheers to New Beginnings

With the sounds of a jazzy combo filling their newly expanded, tech-savvy Interactive Design Studio, 2020 Exhibits recently invited clients and friends to join them for Celebrate Chicago: a grand opening celebration of their newest Chicago facility.

Celebrating their new digs and unprecedented growth and success across the Midwest, the 2020 Exhibits/Chicago team focused on delivering the total event experience, amplified. From warm valet greetings upon arrival, to sommelier-led wine tastings, plentiful light bites, live music and freshly custom-rolled cigars, party goers shared in the excitement, engagement and energy that is unmistakably 2020 Exhibits.

Graciousness, hospitality and a generous spirit permeates the 2020 Exhibits approach to opening night. When not enjoying the evening's sights and sounds, guests sampled bites and enjoyed a spirited wine tasting, led by a master sommelier. Guests were invited to kick back and relax in the upscale VIP lounge, which was bathed in cool color lighting and seductive sheers. For those seeking more fun and engagement, they could participate in the wine tastings or help create their very own custom-rolled cigar. A few lucky guests left with their very own bottle of wine, as drawn from 2020 Exhibits wine cellar.

Using their new facility as the backdrop, 2020 Exhibits' invited clients and friends buzzed with enthusiasm over the new venue and expanded offerings. Located at 815 Pershing, just minutes from Chicago's Central Business District and major exhibiting venues, the 2020 Exhibits/Chicago stunning 50,000 square-foot interactive design studio offers a comprehensive range of event management, trade show rentals, tradeshow exhibits and services, including a dynamic and interactive showroom, expanded storage and pre-event and exhibit staging capabilities, coupled with an extensive line of A/V rental products and solutions.
