FOR THE TOTAL BRAND EXPERIENCE

INNOVATIVE TOUCH TECHNOLOGY

2020 Exhibits designs and delivers innovative solutions using the latest technologies including 3D visualization touch screens and tables. Maximizing digital engagement, our turn-key A/V solutions heighten interest and drive the conversation.

EXHIBIT RENTAL PACKAGES

With one of the largest custom modular and portable exhibit rental fleets in the nation, 2020 Exhibits Rental Program offers the freedom and flexibility to create the ideal exhibit environment, while driving bottom-line value and results.

A/V RENTALS

Turn-key, bundled products, services and A/V support including 3D visualization, interactive multimedia, seamless video walls, touch screens, touch tables, iPads, and interactive rich media content to create memorable and engaging brand experiences.

PROGRAM MANAGEMENT

A full range of pre-show, during and post-show services including general show services, freight and global logistics planning and execution, large product/equipment consultation and rigging, I&D and onsite management. Our cloud-based mobile technology revolutionizes event and tradeshow program management, increasing global collaboration and communication across channels throughout event and tradeshow exhibit programs.

EVENT FURNISHINGS

Innovative, fresh furnishing solutions designed to fit any style, size or budget.
