

2020 EXHIBITS NAMED AGAIN TO INC. 5000

4TH TIME ON LIST OF THE FASTEST GROWING PRIVATELY HELD BUSINESSES IN THE US

August, 20 2014 - 2020 Exhibits, a global leader in the design and production of dynamic exhibits, events and environments announced it has been named to the 33rd annual Inc. 5000, an exclusive ranking of the nation's fastest-growing private companies.

"We are honored to be recognized by the Inc. 5000," said Bob Babine, President of 2020 Exhibits. "With over 25 years of providing leading-edge ideas, creative and solutions to our clients worldwide, we have seen consistent, measurable growth and continue to expand our services and offerings. Our focus and commitment remain crystal clear: delivering creative, compelling and dynamic solutions, backed by our talented team's unparalleled service, to support our clients at every level and drive results."

In being recognized by Inc., 2020 Exhibits joins distinguished Inc. 5000 alumni such as Pandora, Timberland, Dell, LinkedIn, Oracle and Zillow.

Inclusion on the list was determined by measuring revenue growth from 2010 to 2013. Additionally, companies chosen had to be U.S.-based, privately held, for profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2013.
